Number of Suppliers Registered as at May 17 2019

[1615 Suppliers]

The roll out and on-boarding of Jamaica's first Electronic Government Procurement System commenced January 2016 and will continue up to the end of 2019.

Activation strategy for training and on-boarding of Government suppliers of goods, services and works is done on an industry basis.

The above listing will be managed and updated on a monthly basis by the Ministry of Finance and the Public Service, The Office of Public Procurement Policy (OPPP).
