**A summary of the principal required terms and conditions of the procurement contract or the framework agreement:**

Engagement of Consultant/Firm for Pre-Contract and Post-Contract Consultancy Services for the Design and Construction of a New Business Continuity Center (BCC).

**Background**

The Bank of Jamaica (BOJ) requires the development of a new Business Continuity Center (BCC) at its 13 Hillcrest Avenue property to replace its existing facility. The new BCC will serve as a modern resilient operational hub for mission-critical functions during disruptions, featuring secure currency handling, disaster response capabilities, and 24/7 operational readiness. The secure, sustainable complex to be constructed on a 3.24-acre site will incorporate currency handling facilities, disaster recovery systems, and continuous operational capabilities for essential staff, requiring comprehensive professional services for its design and construction to meet the institution's thorough operational and security standards.
